Volunteer Application Form

CNS 2017 Annual Meeting
 San Francisco, CA | March 25-28, 2017

Volunteering at CNS is a fun and fast-paced job that consists of (6) to (8) hours of service in exchange for free registration at the meeting. Priority is given to CNS Student Members first. **All volunteer shifts will take place on Saturday, March 25, 2017 with the possibility of a shift on Sunday, March 26, 2017. If you cannot work Saturday please do not apply.**

After basic training, volunteers will be setting up for the conference, collating materials, and checking-in registrants. It is important to note that much of the time will be spent on your feet, talking with many people, and controlling the crowd. The time goes by very quickly, and volunteers end up meeting new friends & having a lot of fun.

Submission Deadline 1/6/17

There are limited volunteer opportunities in exchange for registration fees.

Requirements:

- You are required to be pre-registered (paid) to attend the annual meeting at time of application submission or you will not be considered.
